GLOBAL EXPRESS 2018 - 12	Gospel through social media, anytime, anywhere	环球传播 GLOBAL REACHOUT

Our Story

Thereafter, GLOBAL REACHOUT (GR) launched the GR Facebook with ID: Singapore Global Reachout on 9 Sep 2016 at 9 o'clock in the morning. The broadcast of daily Chinese programs reached the Chinese-speaking group who lived abroad began that day. Subsequently in 2017, GR continued to develop new media broadcast including Twitter, DS Audio, Instagram and in 2018, LINE is enlisted. Since 10 Nov 1994 until now, GR has been sensing the leading of the Holy Spirit and seeing dawn gradually (Proverds 4:18). GR has moved from radio ministry into website broadcasting and unceasingly into social media broadcasting; from a restricted cluster of Chinese community in a restricted district, into the Chinese-speaking communities in the world at large. Yes, I truly saw the 'windows of heaven opened' (Revelations 19:11). Hallelujah! Let us continue to walk with the Holy Spirit in this global ministry. Stay tuned. Emmanuel!

May the Spirit of wisdom & understanding, the Spirit of counsel & strength, and the Spirit of knowledge and the fear of the LORD be always in control of your life, such that you may be blessed with triple anointing!
---Blessed CHR!STMAS---

Feedback: Happy Family

"I listened to the webcast 'Happy Family' and found it very helpful. I simply did not understand why some families spanked and shouted at children yet without any negative impact. Thnak you for the voice mail. Indeed, it is beneficial. Please pray for me!"

Feedback: Workplace Strategy

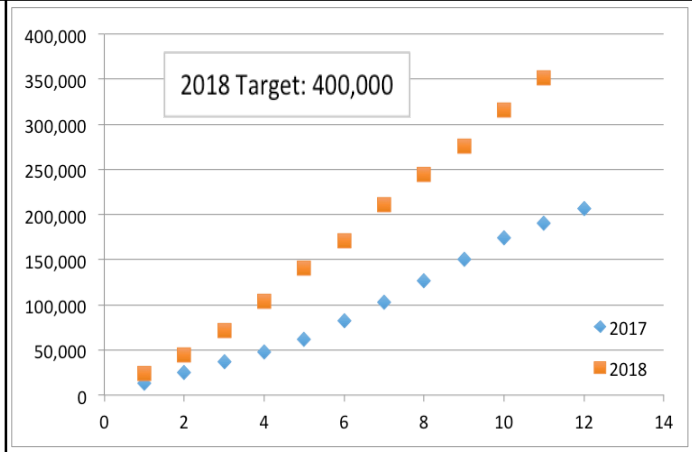

"It has spoken into my heart. I led a team not too long ago and felt extremely tired. I wanted to be a good buddy to all - avoid conflict and not pointing fault of colleagues. Unfortunately, that did not help my leading the team as well as the growth of team members!"

"Thank God for the message. God knows my needs. A great message indeed!" 2018-11-30 China
