GLOBAL EXPRESS 2018－07	**Mission:** Gospel through social media, anytime, anywhere	环球传播 GLOBAL REACHOUT

In June issue, we shared that the Holy Spirit embeded the name of GLOBAL REACHOUT (GR) in the hearts of our directors in 2004. With no audience data, difficulty in getting feedback, and China being the only targeted mission field then, GR has continued the mission being called from above. On 22 Jan 2016, when GR was celebrating her 22nd anniversary, God touched the heart of one Christian. She was truly amazed, "GR has a very small team, but the quality is absolutely not trivial; co-workers have served for many years, and some of them are even beyond 70 years old! However, won't they need new blood, new technology and new directions in order to expand the service territory and reach broader geographical areas?" Yes, the Spirit enabled her see God's will and called her into the GR Board to serve Him. Today, when this message was written, she suddenly realized: the Spirit is actually using "new blood, new technology and new directions" to continue accomplishing His will as reflected through the name of "GLOBAL REACHOUT" given 14 years ago. Our Truine God is trully amazing and His sign is traceable! Lets continue to journey with the Holy Spirit. See you in GLOBAL EXPRESS Aug 2018. Emmanuel!

Feedback: Workplace Strategy

Thank God! This type of detailed practical workplace related program is trully needed. Nowadays, there are very few workplace Christians in China, and I trully don't know what to do while facing challenge. With this program, I know how to glorify God at workplace. Thank GR for your dedication!
