Proclaim God's Love, Enlighten One's Life

【Move with the times – The advancement of the Gospel 】

Acts 8:29-30 "The Spirit told Philip, "Go to that chariot and stay near it. Then Philip ran up to the chariot ……

Shalom! We last shared that the process of evangelism is initiated and prepared by God Himself. Also, evangelism depends not on the strength of man, but upon the leading of the Holy Spirit. So, believers should always be ready to obey and experience being led by the Holy Spirit. We are reminded here of the third point about Philip being guided by the Holy evangelism must keep up with the times. To reach a particular person with the gospel, one must get close to that person, as Philip did. He was told by the Spirit to go and stay near the eunuch's chariot (Acts 8:29). To spread the gospel in any epoch, one must stay current. It is not about catering to trends and certainly, not about changing the message of the gospel. Rather, it is about using the methods suitable for today's age.

This epidemic has forced the church to change from one that used to meet physically to one that must gather online. This also quickened GR to broadcast not only audio programs but also video programs. These adaptations reflect the needs of the changing times – we must embrace these developments and opportunities that the post-epidemic bring, and flow with the Spirit as He leads. We look forward to working with churches and organizations to produce programs that respond to these dynamic times. Do contact our co-workers if you need help. We are confident that as we follow the leading of the Holy Spirit, we will surely experience His supernatural work.

Audience Feedback

After listening to 'Absent Dad', I forwarded it to my family chat group. Thank you, Host Jingfang! May the Lord bless and strengthen the ministry of GR so that more people will be blessed!

(China, 15/10)

I am grateful to have listened to 'Lifelong Learning during Critical Moments'. I benefited greatly.

(Yue Mei, Malaysia, 19/10)

Thank you, sisters. for the wonderful sharing. It is indeed beneficial. May God bless your ministry.

"A Safe Place" teaches a very good lesson on interpersonal relationships. (Zhang, S'pore, 22/10)

"How Blessed are the Children of God" is a song we like and sing often. We are moved each time we sing it. However, today's episode focused on the interpretation and meaning of the song. Very touching! In particular, a Singaporean couple who drew inspiration from the Bible resonates with us. The wife is very ill and we empathise with them as we too, are facing the same situation. Sometimes we feel weak, we're often in pain and are disappointed. The hymn testifies that "in the turbulence of life, only by focusing on God's Word and Salvation can we obtain inner peace and hope."

This revelation benefits us, alerting us to the realization that at any time and under any circumstance, we should "set our eyes on God's promise of salvation". Only in this way can we demonstrate how blessed we are as children of God, how we can gain strength and confidence, and triumph over adversity, bearing witness to God and glorifying His name! Thank you for every supply! May we grow together! (China, 5/10)

Family report & intercession matters

1. Thank God for His bountiful grace that GR entered its 26th year! During the Covid-19 pandemic and with limited manpower, God led us to relocate to a new premise. And we have stepped up – from an audio room to an audio-visual studio. We thank God for His hand upon us along the way. The renovation of the new audio-visual studio has been completed, and officially launched on 29 October. Glory to the Name of the Lord!

2. The Book of Romans can be considered as the theological foundation of the Christian faith. We encourage brothers and sisters to sign up for the Zoom online seminar, conducted by Preacher Shi Wei on 12/12 (Saturday) from 1030 to 1200. Let's meet face-to-face as we explore the principles in Romans together.

3. Please continue to pray with us about the plan to produce video programs for youth, and the production talents needed. We look forward to churches, institutions, seminaries who can work together with us to lead youth in the digital age to know the Lord.
