Our Story

The Board Meeting that night decided of adopting Wechat as broadcast platform, and scheduled for launching on the 01-July 2016 at 7:00 am. What's the outcome? As we were not familiar with the WeChat technology, it had taken us 2 months of putting this seemingly simple tasks in registering and account testing into satisfactory completion. God apparently sent over a pastor from China to train us, and things had been progressing slowly, but until the 3rd Board Meeting on 29-June 2016, GR WeChat platform was still not ready at all. What should we do? Should we change the date for launching? No! We do believe that it is God's timing with spiritual meaning, symbolizing "returning of people" to the kingdom of God. Finally, the Board unanimously agreed to engage the Pastor's help to kick start the project! Thus, the next day from early morning till midnight, under the complete dedication of our team, we had finally completed various urgent tasks to get the GR Wechat launched on the 01-July 2016 as per schedule. I saw the "windows of heaven opened" (Revelations 19:11), and God's provision fell upon us; we were truly grateful, hallelujah! Let us continue to walk with the Holy Spirit. Stay tuned. Emmanuel!

Feedback: Discipleship

"Thank you GLOBAL REACHOUT for broadcasting Dr. Rev. Caleb Su's Discipleship series. I have been forwarding the series of webcasts to various WeChat groups, and receveid many good commends from brothers and sisters. The only pity is that the broadcast is not often enough. It can be more often, that will be terrific! May God bless each one of His children and be always with us. Amen!
