Global Express 2019-08	Proclaim God's Love, Enlighten One's Life	环球传播 GLOBAL REACHOUT

Our Story

At 3:15 pm on 15th June 2017, our treasurer sent a message to our chat group notifying us of the shortage of S$7,000 to offset the expenditure of the month. Notwithstanding this, she felt a sense of extraordinary peace, which was rather "abnormal"! God has abundant Grace, indeed! On that very morning, the Holy Spirit already prepared her for this situation through the bible verses during her devotion. God had given her the peace that transcends all understanding through Luke 21:13-14 "And so you will bear testimony to me…make up your mind not to worry beforehand." About six hours later, she forwarded the information of GR financial situation to her chat groups, and waited upon the Lord to lead us. Unexpectedly the next morning, she continually received responses from Christians from Canada, USA, Singapore and even a good friend from Hong Kong. At the critical moment when help for GLOBAL REACHOUT was most needed, we witnessed how God had gathered His people Himself to make a way for us. Our hearts were filled with grace and gratitude. This, indeed, is an opportunity to witness God's work. To Him be the Glory! Next, how did God work to resolve our tenancy problem? Let us continue to walk with the Holy Spirit and see you in the next issue of Global Express. Emmanuel!

Feedback: Happy Family

My friend's child entered to Junior College and since last year, her child suffered depression. As a parent, she wondered whether or not that's the fault of upbringing and how to rectify.

Feedback: Sing Together

I felt so touch by God while listening to the song. His joy filled me remarkably. I thank GR for being my guide. Thank God for your grace. Glory be to God!

Feedback: Deeper Life

The centre of our ministry is God. With that in mind, we will not stumble and fall if others fail you. Leaving the church for another church is not a solution to the matter. (Malaysia)
