Treasure of Great Value

(Matthew 13:44-46)

The Christmas season in December is brimming with joy and love. It is also a time for us to reflect on what gift is of greatest value amidst the busyness of gift exchanges during this festive mood.

In Matthew 13:44-46, Jesus uses two parables to illustrate the value of the kingdom of heaven. One man sells all he has with joy to obtain a treasure he discovered hidden in a field. Another merchant willingly gives up everything to acquire a priceless pearl when he finds it. These parables reveal that the supreme worth of the kingdom of heaven exceeds all earthly riches, and that Jesus Christ is the priceless gift God has given us.

So, have we truly accepted this most valuable gift? In a world that puts materialism above all else, the clamour of the secular and the dazzling array of material stuff may lead us to overlook the most precious gift given by God: Jesus Christ, Who came into the world as a man, sacrificed Himself, and brought us salvation.

More importantly, God does not call us to stop at receiving this precious gift; He wants us to share it with others. Yes, the love, grace, and redemption of Jesus bring us hope and renewal, but this gift is not meant solely for our comfort but is salvation prepared for one and all. Christmas is a special time for us to pass on this precious gift to others.

Let us share, through our actions and words, the love of Jesus with our family and friends, especially those who do not know Him as yet. We have many programmes from GLOBAL REACHOUT that you can tap on to do this, such as "The Gospel for Modern Man" hosted by Rev Caleb Soo, the gospel hymn program "Singing Together", as well as the series on workplace and family matters that cater to friends from diverse backgrounds. You are cordially invited to use these programmes on the GLOBAL REACHOUT website (https://global-reachout.org/en) to share these programme links with others.

In this season of giving, let us put some thought into sharing programs that best suit the needs of different individuals. By doing so, we can show our care for them and offer them the opportunity to receive the most precious gift in life!

May we walk more closely with God each day, live out Christ's love in our lives, and place Jesus at the centre of our being. Through the testimony of our lives, may many more come to know this "priceless treasure".

The Mystery of Marriage

From the programme, I learned that our marriage should honour God! Very useful, thank you!

(Xinyi, China, 06/12/2024)

Wise Guidance for Youths Ep15

This episode made me realize that the most significant influence on one's character in life is faith; a major part of a child's development comes from the words and actions of their parents. While parents may set expectations for their children, they must also reflect on whether they are living up to those expectations themselves! Thank you for recommending the programme!

(Brother He, China, 25/10//2024)

A Vibrant Life 2 Ep3

We meet many people throughout our lives, and some of whom may become our benefactors. For that to happen, we must prepare ourselves thoroughly to meet the demands of the opportunity. This episode is truly thought-provoking!

(Sister Xing, China, 27/10/2024)

Blessing Family with the Bible

The speaker demonstrated that we should use the Lord's words to watch over and bless others in our intercessory prayers.

(Mr. Wang, China, 10/12/2024)

My Work, Career and Vocation

We often find it difficult to distinguish between the importance of work, career and mission. This program helped us learn some useful methods and understand the different meanings of these three aspects. I will recommend this program to our friends around us!
