Global Express 2020-03	Proclaim God's Love, Enlighten One's Life	环球传播 GLOBAL REACHOUT

Our Story

On 16 December 2017, “she" was leading a retreat for the Chinese fellowship in her church on how to have deep devotion with God, and experience the presence of God and engage in conversations with Him. God expanded her horizon once again through Luke 9:10-17. The Holy Spirit moved her in a special way: He will take charge of the basket for GLOBAL REACHOUT and fill it up. This message from Him is truly a piece of magnificent news for us who are constantly facing great financial difficulties and deficit almost every month. This is certainly a huge morale booster to the existence and development of GLOBAL REACHOUT! On 23 March 2018, the directors praised God and prayed as usual at the Board meeting. After everyone had taken turns to pray aloud, she conducted a brainstorming session: all present to table proposals regardless of feasibility. Then they moved on to set crucial criteria for examining these proposals. For the next two months, the directors continued to pray unceasingly to God for wisdom. They each gave scores to the 15 shortlisted proposals as guided by the Holy Spirit. To confirm that the plan was from God, all the directors sought God’s guidance as to which proposal(s) each could own or lead as prompted by the Holy Spirit. After 3 months of seeking God’s direction, 8 proposals were finally chosen to be implemented. Let's continue to walk with the Holy Spirit! See you in the next issue of Global Express. Emmanuel!

Feedback: Romans

Thank God for He heals me, a man who was strangled by sin is alive, just like today’s prayer that said, “be renewed in the Lord and move forward instead of looking back. Let me run to You and be with You, knowing that I live for You today.” When I am alive, I dedicate myself to You, oh Lord, use me as an instrument, like your servant. Thank God for the grace. As a sinner, I can be a vessel for You (I guess the Lord guided me to help my younger brother to attend church service. I also explained the sermon to him because he is a new believer). Thank you, speaker Shi Wei, who explained this program.

Thank you brothers and sisters in Christ. Human words are impetuous but only God’s Word gives peace.

Feedback: Happy Family

This is a great program! I keep listening. There is a software mentioned by Prof Huang today. May I know how to get it? Although I don’t have children, my friend’s children are facing many learning problems. I would like to help them. Thank you! (Anne, 13 Feb)
