Shepherd's Corner

As I was with Moses, I will be with you

Joshua 1:5

An extraordinary mission was assigned to a youthful Joshua to lead the second generation of men in the wake of their exodus out of Egypt to enter Canaan, the land promised by God to the Israelites. These attackers had little by way of arms and fighting skills but ended up prevailing over a well-equipped Canaanite army with formal training. How did such a victory come about? It was possible only because of Joshua's faith in the promises of God!

These were the words of God that came to Joshua, "…as I was with Moses, so I will be with you." (Joshua 1:5). Joshua had witnessed how God had stood alongside Moses earlier on; the experience convinced him to submit in total faith and obedience to Commands from High. The faithful attackers tore down the various man-built barricades, and with that, the doubts amidst their own fellow Israelites as well, to enter the promised land in true glory.

"As I was with Moses, so I will be with you." These words provide solid proof that the success of Man is neither accomplished by might nor strength, but by leaning on the faith in the Power, Presence and Provisions flowing from God. Are you facing what seems to be insurmountable at this very moment? You need to "be strong and courageous"! God has given His Promise; as such, His Holy Spirit would come alongside His children, too! We can look to God as Joshua did, and be assured that we, too, will be leading consummate lives in Him.

At GLOBAL REACHOUT, we shall continue to draw strength from the same Promise – "As I was with Moses, so I will be with you" even as we pray for the next "Five Year Plan" ahead of us. Yes, we had been leaning on Faith in His Presence and Provisions from the day GR came into being. Because of such rich blessings, we had been able to offer you quality contents, be it in times of joys or sorrow, even as we are labouring in true faithfulness in Him today. We vow to persevere flying the banner high as we sailed through these stormy seas - only because we know that God will satisfy all of our needs in His Grace and Faithfulness! Amen.

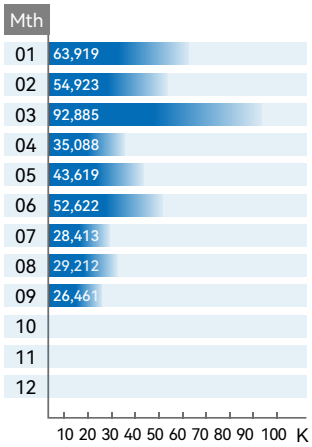

We look forward to hearing from you, so that we can stand up to the winds of change as we put up contents that align with the needs of members of His Body– to "be with you" as well! Do email us at knowHIM@global-reachout.org.

Thank you for the programme "How to Face Anxiety". Timely advice that comforts even as it edifies.

(Sis Wei, Singapore 12/9/2022)

Dancing with Emotions

Whether one is happy or otherwise could be a function of his personality or is the result of environmental factors. Do learn to be content, simple, optimistic, grateful, laidback – and let go. While easier said than done, becoming a happy person is merely a matter of turning to face the right direction.

A Doctor's Long Journey to Growth

Having professional skills alone does not make a responsible doctor. A heart that cares for patients is important too. Indeed, every life being "fearfully made" is to be held with respect. I am humbled by the contents in this touching programme.

Book of Matthews

What Lord Jesus' said the end of the world would look like is a call for me not to panic or fear in a world caught amidst the deadly pandemic and war. In times as these, holding firmly to faith and vigilance beats trembling in fear and trepidation. A big THANK YOU to Pastor Shi Wei for sharing straight from her heart.
