Proclaim God's Love, Enlighten One's Life

【To mount the wind and cleave the waves】 Enlarge the place of your tent... (Isaiah 54:2)

Due to the pandemic, social media allowed us to reach out to far more people. By July 2020, the number of new users joining social media had increased by more than 10% over the previous year to a total number of 3.96 billion. That means, there are 12 new social media users every single second. The worldwide network flow has also increased by 30% compared to last year. In general, people are spending much more time on the internet.

With the lighting speed of social media, there's huge room for development for evangelisation. And Global-Reachout is speeding up the pace of social media expansion in both of our programs as well as the way we produce these programs. We are aiming to bring everyone the latest information through our programs. To make it work, one of our launched programs is focused on the workplace based on the Bible principles, which includes helping people to balance their work and life, and improve their work performance. We would like to have you as our audience, and you are very welcome to share our programs to everyone around you. Hopefully, through our programs, we can glorify Jesus at our workplace during and after the pandemic.

There's still a long way to go, and we pray the Lord can lead us on the way to "enlarge the place of our tent". We appreciate your valuable advice, and hope you can join us to mount the wind and break the waves for God's Glory!

Audience Feedback

How should men take off their emotional masks (Usually they are wearing different emotional masks, [smile]) and perform their true selves? Such a good program! Thanks to Global Reachout. (Pastor Wen, Singapore, 25/2)

"To understand men's emotions" talked about the men are wearing emotional masks. I will keep relearning this. (Xiuxiu, Singapore. 25/2)

I really like this "Happy Family - understand men's emotions" program. It helps me understand and organize my emotions more often than not when I am troubled. (Anonymous, USA, 11/3)

I just watched the "Happy Family" program. I learned that in Chinese, the character "Family" are usually formed with a roof and a "pig" in it; however, in ancient Chinese character, the character "pig" was a misspelling of the character "kid". Therefore, a family is usually form with parents and kids. Glory to God! And Jing Fang is such a nice, gentle host! (Jianghua, China, 11/3)

Thanks to the great "Global Reachout" production team! Hopefully, this program can help more people with their lives. Glory to Jesus Christ.

(Doctor Zhang, Singapore, 11/3)

Thanks for the book written by Shi Wei. Through this book, I have seen how a group of great Christians survived that special period of time (from 1955-1956) in China. Thanks for all the hard work by Global Reachout. May God Bless you! (Luke Gao, 21/2)
