Let Your Light Shine Before Men

(Matt 5:16)

While there is nothing new about evangelism at workplace, it is a topic that deserves our continuous attention. After all, increasingly longer hours are being put into work these days. This is especially the case following the tremendous changes during the pandemic as we move into the post-pandemic phase. We noticed that WFH (Working From Home) and "Virtual Teams" are on the rise in the job market as part of the "New Normal." This has made it all the more needful for us to look into new ways to blend the gospel into our work routines as we communicate and carry out work with our colleagues and partners as teammates.

Matthews 5:16 says, "In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Indeed, the circumstances has since changed. But not our mission, though! We are to revisit our identities as "Workplace Christians" so that the gospel will continue to shine before others through our good deeds.

As this hour when we face lots of challenges and uncertainties at the post-pandemic stage, there is even a greater need to lay our trust under His Guidance and Protection. Those around us would then be able to see the radiance exuding from our close fellowship with Him, and with that, a more thorough understanding of the Truth and vitality as we are soaked in His Presence as a result. As more people start to ponder over the meaning of life since the pandemic swept across the globe, this provides a golden opportunity for us to take the lead and talk about the Truth to those who are seriously searching for answers to these questions. At the same time, we are also to offer practical help to those who are running into psychiatric, financial and health challenges at this season of their lives.

It is our supreme mission to let our light shine before others by upholding our faith in a steadfast manner, showing kindness and building up a positive workplace culture to lead our fellowmen into His Bosom every step of the way during the current post-pandemic period.

Since 2018, Global Reach-out has launched "Glorious Workplace", a series centred around workplace issues – with a view to energizing every passionate Workplace Christian into becoming true witnesses, while helping other fellow Christians to foster positive workplace cultures at their respective positions at work. We encourage everyone to visit our website to watch, listen and enjoy the entire series "Glorious Workplace" at the address below: https://global-reachout.org/zh-hans/taxonomy/term/1446

Home Matters & Intercession

1

Thank God for His guidance. On 30th June, Global Reachout (GR) connected with churches and fellow believers. We visited the Eden Bible-Presbyterian Church and met up with Rev. Zhang Kefu (张克复牧师) and Pastor Cai Qiuhe (蔡求和牧师). We also had the opportunity to interact with Brother Nelson from the Covenant Evangelical Free Church, as well as Rev Teo See Hock (张赐福牧师) of Zion Presbyterian Church. We are thankful for the wonderful sharing and grateful for the pastors' prayers for GR ministry.

On July 1st, we are deeply grateful for the warm reception from Elder Zhang Jingyi (张静毅长老) and Elder Zhang Jingguo (张静国长老), who showed us love and kindness over fellowship. We also thank Elder Zhang and his family for their continuous prayers and love gift for GR ministry! In the afternoon, we continued our visit to the Glory Presbyterian Church. Despite his busy schedule, Rev Xu Tongbei (许统备牧师) kindly received us, and in the limited time, we had a wonderful and honest exchange. We are grateful for Rev Xu's intercession as well.
