Word from the Executive Chairman

Dear Global Partners,

May the love of God, the grace of the Lord Jesus Christ and the fellowship of the Holy Spirit be always with you and your family. Amen!

By the grace of our triune God, GLOBAL REACHOUT (GR) has seen breakthroughs in the midst of our challenges in the year of 2021. Because of your heart for kingdom missions and continual support to GLOBAL REACHOUT (GR) as our global mission partner, GR is able to continue God-sent vision to "Proclaim God's Love, Enlighten One's Life" through broadcast ministry and God-sent mission to encourage global churches use GR webcasts to spread "Gospel through new media anytime, anywhere".

CHALLENGES

1) Deficit of about SGD 2,275 every month in average for the past six months likely due to market economy uncertainty in the COVID-19 pandemics situation;

2) Our WeChat broadcast platform was permanently blocked in China since 07-Jun 2021 at 6:45pm, resulting in GR webcasts not being able to reach China hence a 35% drop in our hit rates. GR website was already blocked in China sometime last year.

However, our God is always BIGGER than problems; Risks often bring in Opportunities!

VICTORIES

1) GR started one video broadcast weekly on 14-Feb 2020. With effect from 07-Jan 2021, GR started TWO video webcasts weekly, namely Happy Family and Glorious Workplace series in all TEN social media;

2) With effect from 01-July 2021, GR has gone full force in YouTube, by broadcasting all SEVEN webcasts weekly in full or partial video format.

3) Challenges has sharpened our souls and spirit and enabled us to see His hand and work in the midst of turbulences. We are remodeling our ministry by broadcasting only God's kingdom culture and values in China ministry, in order to bring kingdom impacts to two spheres of society in a long-term sustainable manner, namely family and workplace, the two greater needs and fields in China, or perhaps the world. With this renewed vision and remodeled mission, GR is ready to reopen our WeChat broadcast in China, this time not one but two platforms, in the next three months.

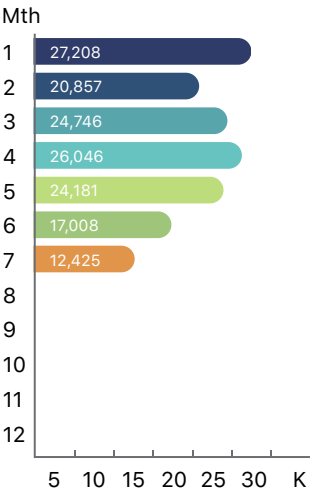

4) With affirmation received from churches, local and overseas, GR has moved on to process web books by modules (courses) or website series, and we expect the first web-book to be ready in August and at least seven web-books published by the end of Dec 2021. GR prayerfully encourages the use of these web-books in small group setting in churches and Christian companies, as a way to co-share the responsibility of making disciples and transform workplace culture in the end times. I have founded the Culture Fellowship and the use of GR webcasts (and later web-books) in small group setting in my company in China.

It has helped to transform the spiritual realm, value system and inter-personal relationship in the company, rendering high effectiveness and efficiency of work seen in my workplace.

5) Last but not least, we are very excited to announce the GR 27th Anniversary online celebration to be held on the 10th Nov 2021 at 8:00-9:00 pm. We sincerely invite you, our global mission partners, to celebrate this occasion with us . We have our stories to share. Please wait upon further news from us as time approaches.

Give no thought to the things which are past; let the early times go out of your minds. See, I am doing a new thing; now it is starting; will you not take note of it? I will even make a way in the waste land, and rivers in the dry country. (Isaiah 43: 18-19)

PRAYER SUPPORT

1. Thank God for giving GR renewed vision and remodeled mission to reach out to China in a long-term sustainable manner by focusing on two key life-impacting broadcast as the Esther in the modern day.

2. Pray that more churches and companies will make full use of GR web-books and GR webcasts in small group setting in order to fulfill the great commission to make disciples and transform culture on earth, in particular workplaces and families. "Let your kingdom come. Let your pleasure be done, as in heaven, so on earth." (Matthew 6:10)

3. Pray for more churches, individual Christians and Christian companies to be our global mission partners by supporting the kingdom ministry through freewill monetary contributions, regular prayers, using GR web-books and webcasts as well as promoting the use of GR materials to wider circle of communities.

As long as it is day, we must do the works of him who sent me. Night is coming, when no one can work. (John 9:4)

Please don't hesitate to contact GR anytime should further clarification or information be required.

Together, we bring the "Kingdom Impacts to every sphere of society". Amen!
