Word of Pastor

Everyone Charged Straight In

(Joshua6:5,20)

No battle tactic is stranger than that deployed in the capture of the city of Jericho by the Israelites. To begin with, all the armed men and priests had to march with the ark of the Lord while sounding the trumpet around the city once for six days. On the seventh day, they had to march around the city seven times, with the priests blowing the trumpets and taking up the ark of the Lord. Finally, they had to give a loud shout on cue, upon which the wall of the city will collapse.

Imagine you were Joshua. Would you issue such unusual instructions? Or, if you were an Israelite, would you be carrying out such seemingly queer orders on the battleground?

Well, as it turned out, Joshua did issue these seemingly unusual instructions and the Israelites carried them out to the letter! And sure enough, the wall collapsed as God had promised. Soon, everyone was charging straight in, and took the city they did! Now, it was not just that Jericho was the first city that the Israelites had to capture; it was also about their faith towards the promise from God that came true at this critical moment when the city wall came crashing down after the Israelites marched in faith around the city over the past week.

Global REACHOUT had continued in a steadfast manner to make new inroads in adversity as none of us let up. Indeed, everyone held on to our collective faith towards God and charged straight in. We encourage our readers to support the two newly-minted WeChat Public Accounts, namely, "Ai.ChaoYue" (meaning "Love. Beyond") and Xing.ZhuoYue" (meaning "Pursuing Excellence"), respectively, on the family and workplace environments. We urge everyone to be "as shrewd as snakes and as innocent as doves as he is sent out like sheep among wolves" (Matthews 10:16) even as he continues to carry out his work to spread Christian values into countries that are still not ready for such matters of faith so as to bring blessings to families and workplaces in these lands.

Meanwhile, Global REACHOUT has come up with a number of e-books that everyone can gift to friends or for use in cell groups as they build up Christian family or workplace cultures to "...take captive every thought to make it obedient to Christ." (2 Corinthians 10:5)

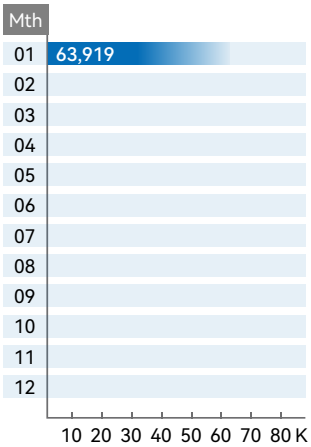

We welcome everyone to visit our website to take your pick. You can also write in and share your life experiences by emailing us at knowHIM@global-reachout.org

Home Matters & Intercession

1

We thank the Lord as He led us over the two past years and the support shown to us with the pandemic looming over our heads. Indeed, we were greatly encouraged by the heartfelt support and prayers from church and members in the Body of Christ. On our part, we had been busy producing programmes all this while, too. Our hosts in both English and Chinese programmes, speakers, recording and video professionals as well as other post-production stage personnel were just as busy! May the Lord use them according to His wisdom, so that God may be glorified and Man edified!

2

This year, we hope to share our ministries carried out over the New Media by GLOBAL REACHOUT to the various churches in this island state of ours. We welcome all churches and look forward to getting in touch and working together with you, even becoming partners-in-ministry to reinforce the spread of the Good News! These fellowships may take place on-line or in-person.
