Global Express 2019-12	Proclaim God's Love, Enlighten One's Life	环球传播 GLOBAL REACHOUT

Our Story

While we were celebrating the new office relocation on 15 September 2017, John 8:32b reminded us that only the Truth can free us from the lies, falsehood and bondage from Satan. Thus, our primary mission is to revisit the truth and renew our thoughts. Firstly, GLOBAL REACHOUT will not follow the dictum: "the minority will have to go along with the majority" in setting our direction for the years ahead. Regardless of the number of supporters, through the power of prayer and worship we seek the Holy Spirit to show us the way to go. Jesus tells us that God reveals His thoughts to His elected people even as He hides them from others (Mathews16:13-17, Luke18:34; 19:42). We observe from the Old Testament to the New Testament in that God has always been looking for a spoke person, a holy instrument. His instrument needs not be someone who is outstanding, but one who is simple, faithful and obedient. The one who receives the vision has the responsibility of affirming it and share it in no unambiguous terms. As for the others, they are to look up to God to verify this vision, let go of any preconceived notions but learn to trust and obey. Statistics reveals that whenever an organization undergoes a major change, 5-10% of its members would usually show their unconditional support, while another 5-10% would object. The leaders play an important role to possess the wisdom, strategy and ability to articulate the vision, direction and methods clearly and to ensure its effective implementation. From the spiritual perspective, the Holy Spirit would bring in those who receive similar calling from above, while removing those who did not, so that the calling from God to an organization could be fulfilled. Most importantly, to go or stay, it must bring glory to God! Let's continue to walk with the Holy Spirit and see you in the next issue of Global Express. Emmanuel!

Feedback: Sing Together

I read Psalm 139 before but unaware of the message. Today, as I read "even there your hand shall lead me, and your right hand shall hold me", that is indeed good news for He heals me though I am distant away. While I'm lack of confident and need guidance, the message came right to me that God is guiding and leading the way. With Him, there's no fear but am assured that He is by my side. Oh God, through the reading of your Word I will come to know You even better. Thank you.

(Bro Li, 18 Nov)

I really appreciate for the comfort at heart after listening to the program. Only God's Word brings us peace at heart. And I thank Xiang Qi for her voice that reflects positive attitude.

Feedback: Workplace Strategy

Workplace Strategy episode 70 helps me to have a clear concept on criteria for recruitment. The character and values of a candidate are precedence over his/her ability. (Sis Annie, Oct)

Feedback: Romans

Thank God for Jesus who die on the cross for my sins and rose again. I pray that God heals me and helps me to learn from wrongs with the Gospel that gives me the strength. I thank the speaker, Pastor Si Wei who prayed for us. (Bro Li Yue Bing, 22 Oct)
