GLOBAL EXPRESS 2019-01	Proclaim God's Love, Enlighten One's Life	环球传播 GLOBAL REACHOUT

Our Story

Since the registration in Singapore on 10 Nov 1994, GLOBAL REACHOUT (GR) has been faithfully producing Chinese webcasts to bless the community in China. With the vision received from God on 20 April 2016, GR has creatively, boldly and faithfully made a lot of changes. We used the most appropriate channel - social media of the era - to proclaim God's love to all Chinese Christians and seekers around the world. In addition, we realized that Chinese today may not speak Chinese. For example, the Chinese Singaporeans and the second generation of overseas Chinese are mostly speaking English. Thus, if GR chose to be faithful to the calling from above, GR must inaugurate English broadcast. But, is it easy for an organization that has been using Chinese in her ministry to get out of the comfort zone, overcome the language barrier and traditional sentiment, and change direction? Unless we see the opening of God, the leading of the Holy Spirit and the light from the Bible, also with inner peace and experienced the extraordinary faith and courage from above, otherwise it will be a 'suicidal move'! In the end, how did GR experience the 'windows of heaven opened' (Revelations 19:11)? Let us continue to walk with the Holy Spirit in this global ministry. Stay tuned. Emmanuel!

Feedback: Happy Family

I had a meal with a friend who had a serious quarrel with his wife the night before. I am going to send him the webcast of episode 51 of 'Happy Family'. I believe that will help him much.

Feedback: Sing Together

God did a miracle in my life and had truly released me yesterday. Thank you, Lord! Indeed, He is Emmanuel. He is the Lord who listens to my prayers! I have nothing to pursue in my life but God!

Workplace Strategy

I benefited much each time after reading the webcast of Workplace Strategy. I pray that I continue to work hard under the guidance of God.
