Our Story

At noon before the second Board Meeting, 'her' heart was filled with troublesomeness. If God did not allow us to see His leading and plan, what could we talk about in the Meeting that evening? She immediately requested her pastoral team to pray for GR, asking God to open our spiritual eyes, so that we might see God's vision together. Then, she rested and had devotion before God, as well as asking God to show her the path that GR should be heading to, through His Word. Her devotion passage the day was Revelation 19: 11-21. She was doubtful on how God would tell her anything about GR vision through the Book of Revelation. However, when she read the very first line, namely Revelation 19: 11, she was truly overjoyed, because in this verse: "I saw heaven opened." Hallelujah! When the heaven is opened, the provision of God will be poured down; He will intervene and lead us! But, how would God lead GR through this verse? Let us continue to walk with the Holy Spirit. Stay tuned. Emmanuel!

Feedback: Workplace Strategy

I have been listening to this program. Today, I encountered the same problem you talked about and I could not help crying. I felt much better after crying. May GR continually be blessed and led by the Spirit, so that many more Christians may be benefited through this program; that we may seek, rely upon and look to God at workplace; and truly be salt and light to give God the glory! We ask God to give us the vigilance & wisdom. May God remember your labor and dedication, and bless the work in your hands.
