Shepherd's Corner

Hear, you peoples, all of you

(Micah 1:2)

The Israelites were a rebellious people in history. Time and again, God put them to live amongst different tribes with their various beliefs with a view to chasten their loyalty towards Him as a result. God worked through various prophets in different era to boldly preach His timely messages to the nation and its peoples in response to their calls. He raised many prophets in a period when the people were facing threats within and without their respective borders in both the northern and southern halves of the divided kingdom to call upon them, saying," Hear, you peoples, all of you, listen to the Sovereign LORD."

In addition to the message on the judgement from God, the prophets also iterated God's plans to restore Israel during the period of suffering, so that the people will hear the message of hope and come home in time to the God who had established the Covenant with their ancestors.

The Gospel ministry also went through revolutionary transformations alongside changes that have been taking place in the history of Mankind. These changes began with the oral and written narratives, moved on to audio and video media, and now, the New Media. We are seeing this ministry in its multifarious modes at the current stage, and the New Media has since become the choice of stake holders as a result of the current pandemic.

Let us face it: What have got you today here wouldn't get you there tomorrow. In GLOBAL REACHOUT, we believe that when we boldly turn on our creativity, plug into today's New Media and strengthen our broadcast efforts via social networking, we would be empowered to deliver our message to resonate with the times, as we strike out to spread the good news with a timely, effective and deserving push.

We are launching the GR APP that has been developed to forge ahead with our mission in mind "Gospel through new media, anytime, anywhere". We welcome everyone to download and engage this latest tool to grow spiritually as your mate and also work as your partner in your gospel ministry in this age of the trending New Media.

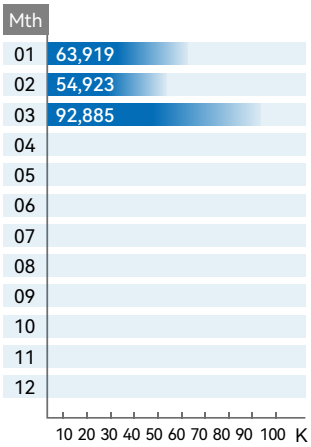

In passing, we look forwards to our brothers and sisters sharing your life experiences. Please email us at knowHIM@global-reachout.org

Truly Happy Families

The Series "Bringing Up Your Child's EQ" could not have come at a better time! I have shared it with many families with young kids. Keep it up!

(Preacher Zeng, Singapore, 10/3/2022)

I intend to forward the GR programme on family matters to a couple slipping towards divorce. May God help them through these articles to see the situation differently and turn back.

(Preacher Goh, Singapore, 30/3/2022)

Hot Topics Cool Talk

In the past, I would subconsciously restrict my mind to think that relationships between Man and God, His Word and Acts are confined to just the history of Israel and church life. Put another way, my mind did not relate the Gospel and news/current affairs in any way whatsoever–until I ran into the programme "Hot Topics Cool Talk". The beautiful voice of the narrator skillfully lets in the Gospel truths to the worlds of nature, geography and humanities and reveals how His Words and Deeds are interwoven into everything that is taking place around us. Indeed, this marvellous programme has opened new doors and has availed me to countless treasures from the resources over the internet.

(Xiu Min, Singapore, 1/4/2022)

GR places heavy emphasis on working alongside churches, organizations, theological colleges as a member of the body of Christ. To this end, a Zoom meeting was held out with church leaders on 31 Mar (Thursday) in both the English and Chinese languages. There were seven church leaders amongst the 12 participants from Zion Bible Presbyterian Church, Eden Bible Presbyterian Church, Katong Presbyterian Church, City Missions Church, Hebron Bible Presbyterian Church, Glory Presbyterian Church and Provident Presbyterian Church. We thank everyone for their participation and appreciate their suggestions raised during the session. May our churches continue to support evangelical efforts via the use of New Media by GR.
