Drawing out of the water

The name "Moses" means to draw.... out of the water" in the original language. Moses had been called to draw the people of Israel out of Egypt and enter the Promised Land of Canaan. They crossed the Red Sea along the way and are a people who had been drawn out of the water. The hidden message here is: The Israelites were chosen by God from people across the land to be His Own, represent Him and carry out His plans on earth.

Just as the people of Israel are God's chosen ones, we too have become children of Abraham through justification by faith. (Galatians 3:7). We have been saved from the world of sin because Jesus Christ has redeemed us with His Own Life on the cross. Praise the Lord! In other words, all of us have been drawn out of the water in the same manner and baptized into the Kingdom of God to carry out His work on His behalf. Now, THAT is a great blessing!!

How do we respond to God's call and selection by drawing us out of the water? Even as we are full of expectations as we look toward to entering Eternity, we should always be mindful of our role in representing God Himself. Yes, we belong to His Holy Call and have to glorify Him in all that we do, be it at home, at the work place or anywhere we are serving. To put another way, God takes a serious view of our performance as His representative at our very work place. Every task we carry out can result in either bringing our world closer to God, or push people away from Him.

Dear brothers and sisters, we are people who have been drawn out of the water. God have given His Only Son to redeem our sins with His Precious Blood. Hence, we are not to think poorly of ourselves, but to cling tightly onto God's Commands during our short sojourn on earth, by living a life that is worthy of His Glory.

Global Reachout will be with you all the way! We have programmes covering various aspects of family, workplace and service to help your growth in all dimensions!

PROCLAIM GOD'S LOVE, ENLIGHTEN ONE'S LIFE

Home Matters & Intercessions

1) Our ministry in China has since progressed to the next stage in response to conditions on the ground. Our work is mainly carried out through the two WeChat Public Account broadcasts of "Love. Beyond" (Family Broadcast Series) and "Go. Excellence" (Workplace Broadcast Series) with the aim of touching China with the Truth. Do pray for us.

2) Thank God for His bountiful Grace! On 9th August, we were invited to Sion Presbyterian Church to share our mission work and related challenges; the church responded by showing its concern, intercessions as well as donations. On 12 September, we were sharing our ministry work again, this time at The 31st Mission Annual Meeting held at Logos Christian Church. The session has led us to work more closely within ourselves. May the Lord shower us with His Abundant Blessings!

3) The latest e-books produced by Global Reachout have been uploaded onto our official website. We welcome everyone to purchase these publications for use as reference or study materials in church or market place during group discussions. Please WhatsApp Sis Loh for more details at 9680 7008.

Audience Feedback

"Harmonious Living within a Three-Generation Family under One Roof" -- Wouldn't life be easier if we were to treat one another as "one of us" or "a fellow family member"? We cannot choose our parents, can we? It has been said that no parent is totally faultless. Christian couples should engage each other in love and compassion to become family, even to pray and look forward to days of "familial happiness, warmth, harmony, peace and health." (Preacher Gwee, Singapore 10/9)

New WeChat Official Account "Go. Excellence"

We will be launching a new WeChat Official Account "Go. Excellence" on the WeChat Media Platform on 1 October. We will be kicking off with the programme "All systems go at the Work Place", featuring a theme on communications at work. At a time when policies are being tightened under challenging circumstances, it is our hope to influence Chinese workers by holding fast to workplace values that are based on the Christian faith.

It is our hope that this book "Sound Financial Management" will provide useful and appropriate advice on financial matters, help friends who are caught in a financial bind to free themselves from such bondages to become good stewards of our Lord.

Becoming a Winner at the Work Place
It is the wish of every worker and entrepreneur to succeed in his/her career at the workplace and emerge as a winner in one's trade. For this to happen, we will need to be guided by the Word of God, hold fast to the promises that God has set out for us in the Bible and enjoy a relationship made in Heaven, as taught in Psalms 25:9: "He guides the humble in what is right and teaches them his way."
