Impress them on your children (Deuteronomy 6:7)

Because of the pandemic, our family became the centre of our lives. Amazingly, we have spent more time together with our family and we have gotten closer to each other; however, when we face each other for such a long time every single day, we are stressed in our family life. Family becomes a becomes a battlefield of conflict and dispute. Nowadays, family values are being eroded, and it becomes harder for parents to teach their children properly.

We have to go back to the Bible and recognize God's heart for the family. In Chapter 6 of the book of Deuteronomy, God commanded the Jews to set a good example for their children by following the laws of Moses. Therefore, for Jews, family education is faith education. Since Childhood, Jews are taught to know God and show reverence for God.

Parents must "Impress them on your children", disciples must be trained by in their families. A true happy family must make the training of disciples a family affair. What kind of people children will grow into depends on how parents train their children. Our "Happy Family" series provides full support for parents, including episodes such as "Caring for Young People", "Family Issues" and "Psychology Problems". Parents will be equipped to tackle all the problems of the education of children.

This is a great opportunity to rebuild your family!

Audience Feedback

Chief Ling Zhanhui's analysis was properly structured. People need a healthy way to let off steam when they are stressed out in this world. Unfortunately, because it is usually hard to communicate with family, the situation only gets worse with time.

The "Anger of Men" was really eye-catching. Thanks for the great production from Global Reachout. Many disciples have learned something from this program, especially brothers.

(Pastor Wen, Singapore, 22/4)

The book is a masterpiece from Ps. Shi We with great soundtrack. May God bless so more people can have the opportunity to read this book.

To tell the people of the world we only live in this life for a moment. Jesus is the only true love of our lives, and we are blessed when we believe in him. No worries, no doubts, we will reach our beautiful eternal lives in heaven. As long as we believe in the Lord and the follow his righteous path, our faith will lead the way to a bright future. Hallelujah! Thanks be to the Lord, Amen!
