Our Story

In the history of the church, we often came to know that challenges are mainly derived from within, not from external. Just like any other Christian organisation, GR experienced the same too. Although it was the mission clearly written in 1996 "to produce multilingual programs and preach the Gospel to the end of the earth", GR faced great challenges to begin her English programs. With this, "she" reminded her coworkers on 5 May about the vision she saw of Nehemiah on 7 April, and the Holy Spirit anointed "her" with Luke 9:13, to feed the English-speaking communities on 13 April. God also raised a team of volunteers at the same time. Everything was ready. Just walk in obedience and respond faithfully to His calling, one would see results and fulfil the will of God. What happened next? Let's walk with the Holy Spirit and see you next issue. Emanuel!

Feedback: Workplace Strategy

I like to read "Workplace Strategy" which helps me in my workplace. Thank God for the effort contributed by brothers and sisters in Christ. (Jia Yin, 27/4)

I gained much from the reading of "The Struggles from Bottom Up vs. The Exploration from Top to Bottom". (Joyful Lily, 8/3)

Feedback: Sing Together

Thank you, God. Indeed, I need you in my life.
(Joyce Zhou, 10/5)

So blessed to know that God is real in our prayers. We need your love and support. Amen!
(Joyce Zhou, 11/5)

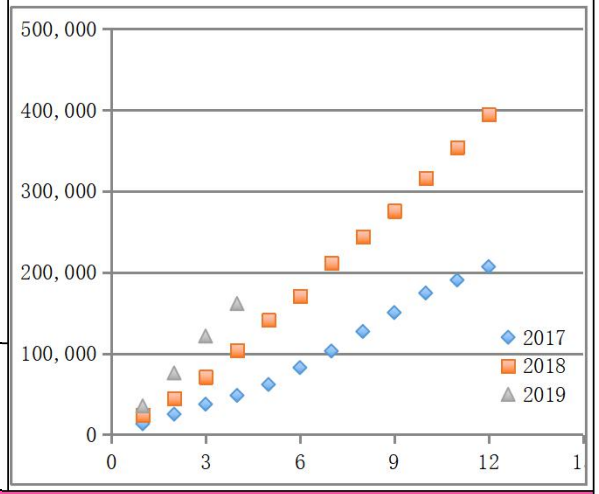

Feedback: Deeper Life

Life is full of obstacles yet we see rainbows at times. As children of God we should come to the Lord and repent like King David when we sin against God. We are to live a victorious life. To God be the glory! Amen.
(Xue Qiao, 9/5)

I am praying for a suitable job. My present job is against the principles of Christianity and lately, I even discovered that what had been shared and promised at the interview are not true. May the Lord help me and lead me through the path. Please pray for me!
(Excellent Grace, 24/4)
